Need the Lockbox Combination for the gates?

Call the office at 570.682.1075 and give the following info...Member # & Campsite address

Implement Rules

It's time to get serious! We are very busy and getting fed up with nonsense. Please review the following bullet points of new & not so new implemented rules:

- **Guest/visitor sign-in will be enforced.** Any campsite who plans to have **10 or more guests** must **provide a list of guests names** to the office by emailing trailriders@rauschcreekracing.com (3 days before arrival). Staff will be making sure this rule is being enforced and checking campsites. If a guest is not signed in, they will have the pleasure of driving home immediately. This is no joke! The days of having guests drive in unattended or not signed in are over.
- Campground speed limit is 5mph, you will be parked if this is violated.
- **Any minor rider, 12 & under,** riding through the campground without adult supervision will be escorted back to their camp...continuous disregard for this rule will result in the parking of your child for the remainder of the weekend. The campground is full. As a courtesy, to other campers, we will no longer allow youth riders to use the campground as a riding area. There are areas like the kiddie track where kids can ride with adult supervision. The days of letting kids loose in the campground or even near your campsite are over.
- Noise complaints are abundant this year! No one expects you to be quiet as a mouse. Respect others by **lowering voices and music during quiet hours 10pm-7am...**voices and music carry in the still of night, so be

TIP OF THE DAY

In your fruit & vegetable drawers put tin foil in the bottom with the shiny side up. Keeps fruits and vegetables fresher for longer and drawers clean, too!!

LOCAL TO DO'S

2020 Event Schedule

Oct. 11 Dual Sport

Recycle We recycle alkaline batteries.

Drop a bag at the office & we'll take care of them for ya. Saving the planet one small battery at a time!

respectful of this time. This goes for **daytime** as well. Keep it to a respectable level or it's going to be NO LEVEL.

● **Review the helmet rules.** Helmets must be worn & properly strapped at all times. This includes while loading and unloading, riding in the campground or just moving it around in your campsite. The only partial exception applies to UTV's with built-in full rollover protection. This will be strictly enforced.

With the Labor Day holiday approaching, keep in mind that the campground will be quite busy. Please use extra care, when commuting from campsite to campsite particularly during evening time hours. Let's not make this privilege turn into a new restriction.

Is your Helmet strapped?
Are you roaming the campground roads or even the trails without your helmet strapped? Be safe & please always make sure yours is!
