

CAMPSITE RENEWALS & RULES

Campsite Renewals are Due

CAMPSITE RESERVATIONS EXPIRE THE END OF FEBRUARY.

Everyone taking advantage of the "grace period" should make sure to get settled up well before it expires at the end of the month. As of February 29th anything less than 100% payment of membership, campsite and structure fees could allow another member to snap up that desirable site they've been eyeing up. For the vultures looking for available sites, please give us until the first weekend of March to prepare "the list".

Any structures/work must go through the office. Decks, porches, pavilions, sheds, or even sitework must be brought to the offices attention before production.

Ground Hog Day

On Sunday, February 2, the nation will watch with bated breath as Punxsutawney Phil emerges from his burrow. It's said that if Phil encounters his shadow, we'll be in for six more weeks of winter weather, but if he doesn't, then spring is just around the corner. So which will it be this year?

According the almanacs long-range forecast, expect cloudy skies to give way to sunshine—enough sun, at least, for Phil to see his shadow and present us with six more weeks of winter. Given the way this winter has been going so far, we hope it won't be too harsh, though we do predict colder temperatures for a large part of the U.S. in February!

SUPERBOWL SUNDAY

The Super Bowl is the pinnacle of televised sports experiences. It's an American institution that encourages binge eating, heavy drinking, and rooting for anyone who isn't the Patriots. That's right, if you just watch the Super Bowl for the ads, you don't need to wait or sit through the upcoming Chiefs vs. 49ers matchup on February 2. But amid all the snacks and libations, there are the commercials: mini-movies advertising everything from booze to tax services. With enough of the former, a commercial about the latter actually can be fun.

Of course, this is an election year, so we already know that both Mike Bloomberg and Donald Trump have bought spots to put a damper on your football fun. But beyond that, 2020 is a time for advertisers to shove all their favorite products down your throat in the most elaborate way possible: Cinematic ad spots. Will Danica Patrick make a surprise return with a vintage Go Daddy commercial? That's their mission. Your responsibility is simply to watch and be entertained. Find a roundup of this year's Super Bowl commercials below. As they roll in, we'll make sure to keep this updated... that way, even if you're in the bathroom during a Sabra ad, you can say you've already seen it.

SWEETHEART DAY @ THE OFFICE 2/15

THE SWEETEST DAY AT RC IS LESS THEN A MONTH AWAY. MAKE PLANS FOR A NICE RIDE WITH THAT SPECIAL SOMEONE OR JUST YOUR FRIENDS. **BRING YOUR THERMOS TO FILL UP ON COMPLIMENTARY HOT COCOA AND COFFEE AT THE OFFICE.**

WINTER TIP OF THE DAY

Has a cold or 'flu got you looking a little more like Rudolph than you'd like at this time of year?

The first tip, place the tip of your tongue at the roof of your mouth, then press the part of your forehead between your eyes. Repeat for 20 seconds.

The second tip involves holding your nose, tipping your head back and holding your breath for as long as you can.

Seriously; once you try them you'll wonder why you've never heard of them before.
