Have fun kiddos!

Dumpster Usage

Just as there are rules pertaining to what you can toss in your trashcan, there are also guidelines to follow when it comes to using Rausch Creek dumpsters. These rules are in place for environmental reasons as well as local and state regulations related to waste disposal. For your convenience we have instilled a 2 bag limit per campsite. That's not to say that others have taken full advantage causing an avalanche of trash on a Sunday night. Please be courteous of neighbor campsites and stick to the bag limit. We appreciate it and so do fellow members.

GUIDELINES

- No Tires
- No HazMat Waste
- NO Appliances with Freon
- NO Electronics

TIP OF THE DAY

Yes, spring fever is a real phenomenon. When the outdoor temperature rises, your blood vessels expand. As a result, blood can be carried to the body surface where heat can be lost quickly, giving some people an energetic "spring" in their step.

"Here is my absence note. I had Spring fever."

Spring officially ends on the 20th of June making way for a long, lazy summer.

You, Shake that Tail Feather Buddy!

Peacocks aren't the only birds who use their fancy tails to attract a mate. Each spring male turkeys try to befriend as many females as possible. Male turkeys, also called "Tom Turkeys" or "Gobblers" puff up their bodies and spread their tail feathers. They grunt, make a "gobble gobble sound" and strut about shaking their feathers. This fancy turkey trot helps the male attract hens for mating.

Turkey activity was high near the office this week. It was quite entertaining to see the hens deny the tom turkeys. Alas, soon there will be baby turkeys or "poults" running around.

OFFICE CLOSED FOR

On Sunday, April 21st, the office will be CLOSED due to the Easter holiday—the trails will be open to members only. Because no one will be in the office, we will be unable to sign in or host guest riders on this day only. Please take this into consideration as you make plans for the holiday. The office will reopen on the 22nd with normal business hours.
