## SARGE'S MEMORIAL RIDE—MAY 4TH 10AM

A ride in honor of a man who volunteered his time and effort to make many of the marked trails you ride on today. He and his trusted side kick, Xena, led hundreds of guided rides at RCTR. His name was Sarge; you can see his plaque on Sarge's Pass just off of Trail 1.

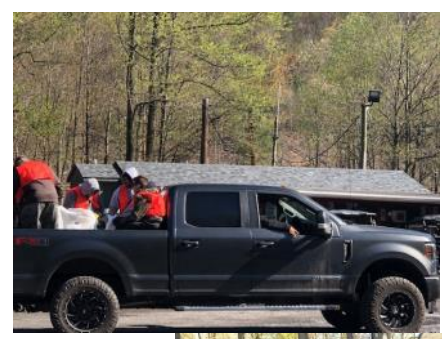

The memorial ride will leave at 10am sharp (just like Sarge liked it...a man on time) and all are welcome. Even if you didn't know him doesn't mean you aren't invited. Come one, come all to Sarge's Ride...he wouldn't want it any other way!

## Tip of the Day!

### Some Astonishing Misconceptions!

- > According to an old Cornish superstition, it was unlucky to buy a new broom in this month. And so was washing a blanket!
- > Some people believed that if you got up on May 1st and washed your face in the May dew, it would remove all freckles and pimples, giving you a great complexion.
- > Another belief was that babies born in May would be sick all through their childhood, and cats born in May wouldn't catch rodents but rather bring home snakes.
