*Happy Mother's Day*

Mother's day is usually a quiet weekend at Rausch Creek; many members take the weekend to celebrate their mommas elsewhere but that doesn't mean we don't take the time to say Happy Mothers Day and thank you.

We are blessed to see moms of every generation. Some are mothers to one & some to many. Some are grand-mothers, friends, temporary guardians or relatives that are playing the role of mom. You come into the office with smiles & with your enduring love shining through.

It goes without saying that being a mom is one of the toughest, most rewarding jobs out there and not a day goes by where we aren't grateful for all the hard work and sacrifices that moms make for their families. This Sunday is a special chance (but c'mon... every day is a new opportunity!) to say "THANK YOU MOM" and "WE LOVE YOU!".

Here's to all of the moms out there. May we humbly say that you're simply the #BESTMOMEVER. Thank you all for everything you do every day. May your day be blessed. **STOP IN THE OFFICE FOR A SPECIAL TREAT!**

# CAMPGROUND TREES

Help protect the campground trees. Do not hang gas lanterns on trees, cut any standing trees, or remove their limbs. If you are in anyway tempted to remove a tree please come to the office to get permission.

We love our camp trees!!

## Tip of the Day!

We'd be lost in a spring garden without plant markers. So, here's a lovely way to identify your eager new plants without cluttering the beds.

### Twig Plant Marker How-To

1. Gather small branches, about 1/4 to 1/2 inch around, in an easily worked but sturdy wood, such as maple.
2. With a vegetable peeler, strip a couple of inches of bark at one end, making a flat surface, and use permanent marker to record the name.

**Note:** If the wood is green and oozing sap, let it dry overnight before writing.
