**Summer! Summer! Summer! Glorious, exalted, long-awaited summer! How I've missed you! Although I readily admit each season has its charms, summer is definitely my favorite! I know it won't officially be SUMMER for another couple of weeks but this week sure did feel like it.**

Memorial Day has come to be known as the kick-off to the summer season, a day away from work and school, one filled with cook-offs, concerts, and festivals. However as we all know, Memorial Day was created for a more solemn purpose. It's about patriotism, a celebration of the sacrifice men and women have made since the founding of this nation to give us the freedoms we enjoy today. Patriotism is a word that isn't used much today, as the yellow ribbons on our cars begin to fade. Webster's dictionary defines patriotism as "love for and zealous support of one's own country," and that's something that should persist regardless of our circumstances.

**With that in mind, here are some updates for the long weekend.... We can't stress enough that there will be zero tolerance for anyone riding with an expired sticker or unauthorized guests.**

This is one of the BUSIEST holidays of the year at the Trailriders, so please be on your best behavior and pay particular attention to the **5 mph speed limit** throughout the campground.

You've probably got the basics down-pat, but we'll take a minute to remind you again:

- There will be an Operations official patrolling the campground throughout the night so feel free to flag them down if needed.
- Sign your guests in as soon as possible EVEN if they are non-riders, they must sign in! The sign in sheet is outside of the office 24/7.
- No Fireworks of any kind on RC property.
- Carry a cell phone with you when you ride.

• Don't forget to use the emergency line if there is an urgent situation...call 570.682.1075 and leave a message, someone will get back to you, soon after calling.

• Keep that helmet on and strapped during any riding activity, this includes unloading your bike or quad.

• Don't ride on Township Road or through member's campsites.

• Be considerate of your camp neighbors.

• Take a drink of water along when you ride.

AND OF COURSE, BE PREPARED TO HAVE A BLAST!
