As we approach the anniversary of the 9/11 attack on our country, we wanted to take a moment to reflect on the 2,977 lives lost...

- 2,753 victims at the World Trade Center (including 343 firefighters, 60 police officers, and 8 private EMTs);
• 184 who died at the Pentagon;
• and 40 at Shanksville, PA.

There have also been about 1,000+ responders who have since passed due to 9/11 related illnesses from working at Ground Zero.

Take a moment...

51 Days 'til the Trick-or-Treat

TIP OF THE DAY

I once read that in a forest of a hundred thousand trees, no two leaves are alike. And no two journeys along the same path are alike.
