Trials Event

Have you ever seen those weird bikes with no seats riding around and wonder why they would attempt to ride something like that at RCTR? This Sunday is a great opportunity to see them in action. Balance is key in the Trials world. They maneuver up steep inclines and huge rocks that no one would attempt on a normal bike. Starting at 11am, each rider will be going out by minute intervals. Each competitor will have to conquer 10 different obstacles and you, as a member, will have the great opportunity to watch. It's a park and walk kind of thing, so grab a map from the office. IF YOU ARE RIDING AND NOT WATCHING THE EVENT, PLEASE avoid going out Trail 3 gate. Instead, go through the "OLD BONEYARD" or the trail by Dusty Lane. DUE TO THE GREAT POSSIBILITY OF A COLLISION WE ARE ASKING THAT ALL RCTR MEMBERS STEER CLEAR OF THE EVENT AREA.

Fall Foliage Trail 7 Ride

Enjoy a nice scenic
ride filled with breath
taking views only
RCTR can offer.

Saturday, November 2 @ 10:00am

Meet in front of the office

**Complimentary cider & cookies will be served at an
ideal fall foliage spot.*

TIP OF THE DAY

White toothpaste (blue and color streaked toothpaste do not work well), A cloth rag & Water

What To Do: Apply the white toothpaste liberally to your car's headlights. Make sure to cover completely, even if you have to apply a couple of times. Thoroughly scrub using a cloth rag. After scrubbing, rinse with water. That's it! Now you have like-new headlights that look better, brighter, and increase safety and visibility. It's so easy, even your kids can do it. How well does this process work? Try it and see. You've got nothing to lose and only bright lights to gain!
