# Trail 3 Reroute

The Trail 3 refuse coal piles are starting to be actively mined and will continue to be until further notice. In other words, the original Trail 3 route goes right into the black coal piles across the Township Road or coming from the other directions, you'd connect to this trail from Trail 1, this area is closed immediately. Riding on designated no riding areas is a crime and therefore will be dealt with harshly. Signage is littered all over the route, there is no excuse to mistake the new route.

Trail 3 has been rerouted at the crossing of the Township Road; make a slight right near the bottom of the hill and cross following the new route. Two new bridges have been placed along the route and what the office is calling the roller coaster affect is shortly after. Please be sure children are not well attended at the "roller coaster" section as it not as kid friendly.

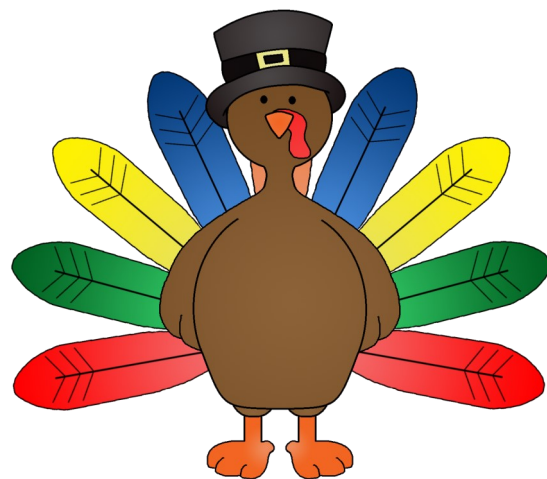

We will continue to update you on progress and any changes.

# Turkey Feast

November 16th at 6pm under the pavilion. The tarped pavilion will have the propane heaters blaring!

It's POTLUCK SIDES—Show off your favorite family recipes by bringing a covered dish. The staff at RCTR are always excited to dress a bunch of turkeys for our deep fryers.

We hope you will join us to reminisce about the past year with your Rausch Creek family and friends.

## TIP OF THE DAY

### Autumn Snack Jar

Whether you're hiking in the hills or to the office, this mix makes a delicious and convenient seasonal snack. Bursting with contrasting textures and flavors -- salty pumpkin seeds, spicy ginger, crunchy almonds, chewy cranberries, rich coconut -- the blend will dazzle your taste buds. It makes a great gift, too.

## LOCAL TO DO'S

Every Friday afternoon and evening, Cross-roads Farmer's Market, Route 25 between Gratz and Berrysburg

**\*\*November 29 and 30 - Lighting Of the Vineyard @ Benigna's Creek Winery 5-9 pm -Acres of Holiday Lights Illuminating the Vineyard, Horse Drawn Carriage Rides thru the Vineyard, NO Admission**

\*Monday, November 25, 2019 ~Black Bear

\*Saturday November 30, 2019 ~Deer-Buck

\*Saturday December 7, 2019 ~Deer-Buck

## FALL BACK COLD TEMPS

Did you remember to Fall Back last weekend, or were you an hour early to work this past week? We are back on standard time and the days are going to grow shorter and shorter until the Winter solstice in December. And where did that summer time breeze go again?

Cold temperatures are creeping in and Jack Frost is certainly starting to nip at our noses. Don't wait to long to winterize.

If you have a camper or cabin at RCTR and haven't winterized it yet, it is time. There are easy 1,2,3 instructions on the internet to help you winterize everything up.

And don't forget to winterize those machines and vehicles too. As moisture accumulates in gas tanks and gas cans, freezing temperatures can cause frozen fuel lines or stalled vehicles. Be sure to add dry-gas to your gas tanks and gas cans to keep your machines running during the colder temperatures. So, what are you waiting for? Get out there and button things up for the cold winter to come.

*Oh the weather outside is frightful, But the fire is so delightful, And since we've no place to go, Let It Snow! Let It Snow! Let It Snow!*

**ONLY 48 days until Christmas ...**

**But who's counting?**

On Thursday, November 28th the office will be **CLOSED** as a result of the holiday. Since no one will be in the office we will be unable to sign in or host guest riders on that day only. **NO GUESTS PLEASE**
