

The Month of August will bring...

RCTR and Mother Nature fought hard this week, these crazy storms knocked us a little sideways. In the next weeks or so you will see new development going into fixing the office driveway until then Trail #3 gate will be the office entry (do not forget to sign in). As long as the weather cooperates, we will open the other campground gates as soon as repair is done. Much is being discussed and planned. Once the water stops moving we will be able to convey and start repairing everything that needs to be fixed. Trail bridges will also be tended to.

Trails are ride at your own risk. The rain has carved new bumps, grooves, and holes so be careful on your next trail venture. That trail you took last week will look a bit different this time around.

Onto the events:

August 4th Bonfire--Any thing burnable will be set aside for the bonfire @ 8pm please ask the office before throwing something on the pile. During the day and night, we will be collecting donations through something we like to call the "Paperbag" Raffle. All proceeds collected will be donated to Hegins Valley Fire Company (they will be lighting the bonfire and putting it out).

****Bring a "campfire inspired" snack to share at the bonfire. WE'LL BRING THE MARSHMALLOWS!**
