Comfortable Fall

A repeat from last week....My thoughts are falling like the leaves...

Fall is here - don't miss out on some great rides at RCTR in the next few months ... great riding weather, superb hospitality and breathtaking scenery! Find the hidden trails under those leaves and explore. I mean that's what this place is about...ADVENTURE!

Our annual Food Drive aims to help the less fortunate families in the local communities, every year we collect non-perishable food items to contribute to the local food bank. A box for donations will be set on the front porch of the office.

Continue your cautiousness as sicknesses and the dreaded COVID 19 virus are rising with the cooler weather. The most effective way to protect yourself is by frequent hand cleaning with alcohol-based rub or washing them with soap and water, as well as, wearing a mask.

Contact tracing will be conducted for close contacts (any individual within 6 feet of an infected person for a total of 15 minutes or more) of **laboratory-confirmed or probable COVID-19 patients**. Asymptomatic contacts (i.e., close encounter with confirmed or probable COVID-19 case) testing negative should self-quarantine **for 14 days from their last exposure**.

With the onset of Autumn weather, you may be tempted to start dropping your guard against ticks, but did you know that the late summer and early autumn is the peak time for pesky parasites such as ticks. Ticks generally live in wooded area, grass, bushes, undergrowth, and clearings, but can also be found anywhere there is grass. Ticks are unable to jump so rely on animals and people to brush past so they can attach and feed. Once the ticks attach to an animal or human they remain in place feeding for up to 3 days, they only fall off once they are engorged. How to remove a tick? It is important to make sure the mouth part of the tick is removed along with the body. You should never try to pull, squeeze or burn the tick to remove it. Specially designed tick removers are really effective.

TRICK OR TREAT ROUTE

Pick up your Trick or Treat route sheet at the office around 2pm. Remember this is a slow ride that you can do on your own. You will have from 2-3:30pm to complete the route.

All costumed kids will receive a TREAT bag and a list of campsites giving candy from the office.

CAMPSITE DECORATING CONTEST

Judging is done by fellow members and staff...one vote per member #. Ballots will be in the office during the day & outside after closing time. Give the winner a treat of a free campsite next year. WINNERS will be announced on the menu board Sunday morning. Happy Halloween!

Tip of the Day

FALL CAMPING MEAL CHART

METHOD OF COOKING	DUTCH OVEN	FOIL PACKET	STOVETOP
