

November to Remember

It's November - where did the year go! For those who are counting, only 55 days til Christmas! This is the weekend that we turn back our clocks and get an extra hour of sleep on Sunday! Be sure to reset your clocks on Saturday before you go to bed!

As usual every month we send a reminder of all the Rausch Creek activities. Soooo here it goes:

Camp-O-Ween

We "scared-up" a great Camp-O-Ween event last weekend. The little ghouls enjoyed a nice long 2hr trick or treating tour through the campground. All the kiddies walked away with a TON of candy.

The best part was the NEW Haunted Trail ride. About 150 members & guests took the dare to enter. The volunteers certainly put the fright in all who entered. From demons, to the spooky graveyard, chainsaws, clowns, the witches fresh kill & zombies galore. There was definitely a lot of screaming. I'm sure many had nightmares that night. A great BIG thank you goes to all the volunteers again

who helped on the Haunted Trail...great job everyone!

The Site Decorating Contest judging was really hard again this year. But nonetheless, someone had to win. 1st Place went to 9 No Fear who made a haunted house and almost scared the judges into peeing themselves LOL, a close 2nd Place winner 11 Brads Way was another Great haunted house with many spooky surprises and 3rd Place 27 No Fear (creepy décor) & 45 No Fear very creative...great job everyone! Congratulations to all the winners, please be sure to pick up your gift certificates at the office.

TIP OF THE DAY

Bulb Labels

Once flowers fade and bulbs and tubers are dug up for winter storage, they pretty much all look alike. To ensure that you'll replant them in the right location next spring, write the variety or color of the plant directly on each bulb with a permanent marker. Then store the bulbs in peat moss or newspaper in a cool, dark place.
