**Sun T-Storms 50%**  
85° F | 61° F

### September already!

Each year, it feels like summer fun flies by too fast. But before we make the transition into the fall and winter holidays, there's still one last hurrah: Labor Day. Labor Day is the symbolic end of summer. It's the last three-day weekend for a while; the beginning of the NFL and college football seasons; the last gasp of school vacation for many; and the last day of the year for white shoes, for those that still hold to that moldy fashion rule. A million barbecue grills will be lit this weekend, while in some places the leaves are already turning. **Lets make sure everyone can enjoy the last holiday weekend of the Summer by keeping in a mind a few Rules:**

- **Guest/visitor sign-in-** Any campsite who plans to have 10 or more guests must provide a list of guests names to the office by emailing trailriders@rauschcreekracing.com. If a guest is not signed in, they will have the pleasure of driving home immediately. The days of having guests drive around unattended is no longer permitted.
- Campground speed limit is 5mph, you will be parked if this is violated.
- **Any minor rider, 12 & under,** riding through the campground without adult supervision will be escorted back to their camp...continuous disregard for this rule will result in the parking of your

child for the remainder of the weekend. The campground is full. As a courtesy, to other campers, please do not have your child do continuous lap after lap in the campground. There are areas like the kiddie track where kids can ride with adult supervision.

- **Quiet Time extended 10:30pm-7AM in the campground.** Noise complaints haven't been too bad this year but it is still happening! No one expects you to be quiet as a mouse. Respect others by **lowering voices and music during quiet hours 10pm-7am (this weekend 10:30pm)...**voices and music carry in the still of night, so be respectful of this time. This goes for **daytime** as well. Keep it to a respectable level or it's going to be NO LEVEL.

- **Review the helmet rules.** Helmets must be worn & properly strapped at all times. This includes while loading and unloading, riding in the campground or just moving it around in your campsite. The only partial exception applies to UTV's with built-in full rollover protection.

- With the Labor Day holiday approaching, keep in mind that the campground will be quite busy. Please use extra care, when commuting from campsite to campsite particularly during evening time hours. Let's not make this privilege turn into a new restriction.

### ALL GUESTS:

**RIDING OR NON-RIDING MUST BE SIGNED IN UPON ARRIVAL! THE GUEST WAIVER IS ON THE OUTSIDE OFFICE WALL 24/7.**

### Inside this issue

September.....	1
New Office Hours .....	2
Local to Dos .....	3

## 2022 Event Schedule

September 3 Mud Ride

October 9 Dual Sport Ride

October 22 Trick or Treat Day

November 5 Fall Foliage Ride

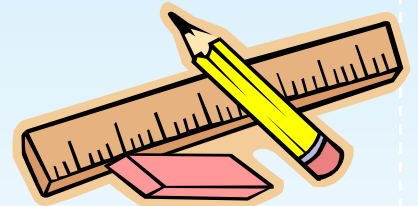

November 12 Turkey Feast

# MUD GROUP RIDE SATURDAY 9/3

Line up at the pavilion starting at 11am. Hot dogs and beverages will be on sale for a small donation to the local food bank. Prizes and will be given to a few lucky ducks.

The trail is designed to provide an easy way to explore and play in our local mud holes.

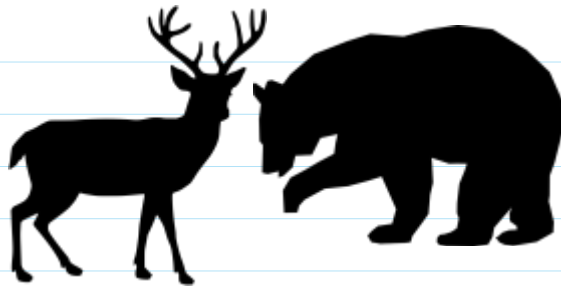

- ◇ Each mud area will be a winch yourself out only excursion. Wear your grungiest clothes as they may not go home with you.
- ◇ Leave your jewelry at home. We don't want to be searching for any precious gems in the muck...yuck!
- ◇ Do not dive head first off your quad or bike into the mud....Although, the most creative entrance is always memorable.
- ◇ Even if you don't partake in the activities...we always like spectators with cameras!

Is your Helmet strapped?

Are you roaming the campground roads or even the trails without your helmet strapped? Be safe & please always make sure yours is!

## Hunting Riding Restrictions Schedule coming next week....

### GROUP RIDE SCHEDULE FOR SEPTEMBER

Saturday, September 10

Saturday, September 24

GROUP RIDES MEET AT 10AM @ the PAVILION

**Reminder:** Hang all and any type of lighting 9 feet off the ground. Use plastic chain for any type of campsite access restriction. RCTR staff will take down low hanging lighting and remove any rope, cable or non-plastic chains, etc.
