& campsite needed

Spring Cleanup

It's that time of year again folks. A time to give back to the environment and the surrounding communities. Trailrider's favorite "feel-good" tradition.

SPRING CLEANUP 2023

For new members or those who haven't participated in the cleanup in past years, make sure to join us at the pavilion around 9am on Saturday, April 22nd.

There will be a place to park your bike or quad while you are taken out to the roads leading to Rausch Creek. The Adopt-a-Highway program is gracious enough to provide everyone with gloves, safety vests, and a bunch of trash bags. Get ready to be loaded into a pickup truck and taken out to pick up all the litter from the past year along the road. Families with small children can clean the camp roads and township road.

The more people we get to participate, the faster the process goes, the quicker we get to eat and hit the trailhead. So please participate! It is so appreciated. The event usually finishes up around noon. Expect to only be on the road for about a 1/2 hour depending on the

participation we have.

All trails will be CLOSED until the cleanup is over.

After you return from the cleanup, hand in your vest and gloves and get your ticket for the free meal.

WHAT'S ON THE MENU? Mmmm a yummy pig roast, hotdogs, chips and refreshments.

A few volunteer pickup trucks are also need to transport members back and forth, please let us know ahead of time so we can count you in. There will be a sign-up sheet in the office.

WE TRULY NEED AS MANY MEMBERS TO HELP AS POSSIBLE.

***ANOTHER INCENTIVE IS IF YOU HELP US; WE HELP YOU GET RID OF TRASH AT YOUR CAMPSITE. ASK THE OFFICE HOW?**

Renewed Campsites

Just like last year and the year before and the year before that; RCTR staff has stuck camp stickers one by one on each renewed campsite sign. Renewed campsites for this season should have a green sticker on their camp sign. Please contact the office if we missed your sign.

Campsites will continue to be audited throughout the season to make sure ALL structures on site are up-to-date and recorded in our database.

Campsite audits? Yes, we audit each and every site to make sure all your structures are in our system. These audits take place a couple of times throughout the season. To make the auditing process easier please be sure to up date us in the office before we find out you've added a structure and didn't notify us.

TIP OF THE DAY

Easter Egg Coloring Tip

Try adding a couple drops of vegetable oil to your egg dye and gently swirl the color before you dip each egg. It will create a marbled effect. Dip into another color for a multicolor effect.

Office Closed on Easter Sunday

On Sunday, April 9th, the office will be closed due to the Easter holiday; the trails will remain open to members only.

Because no one will be in the office, we will be unable to sign in or host guest riders on this day only. Please take this into consideration as you make plans for the holiday. The office will reopen on the 10th with normal business hours.

NEXT Group Ride

Saturday, April 15th 10:30am

ALL GUESTS, RIDING OR NOT MUST BE SIGNED IN UPON ARRIVAL!

Is your Helmet strapped?
Are you roaming the campground roads or even the trails without your helmet strapped? Be safe & please always make sure yours is!

THANK YOU.
