## SPRING BREAK!

The weather may not feel like spring yet, but *Spring break has finally arrived* and it's time to relax and enjoy some quality time with our families.

Get ready for the seemingly nonstop spring event season, there's a lot to look forward to...maybe a wedding or two, of course graduation, mothers day and fathers day, and lets not forget those good old Rausch Creek events.

Have we filled up your calendar yet? This month's calendar at RCTR is nothing but short but we sure do hope that you'll take the time to part in the fun including the chance to take in all the breathtaking spring views nature has to offer throughout our trail system.

**April 9th** Office Closed for Easter; trails remain open for members only. Because no one will be in the office, we will be unable to host guest riders on this day only. The

office will reopen with normal business hours on the 10th.

**April 15th** Group Ride...meet at the office 10:30am

**April 22nd** Annual Spring Cleanup 9am—TRAILS are CLOSED until mid-afternoon when the cleanup is over. The faster we cleanup the sooner we all can ride and EAT of course....don't forget about the Pig Roast.

Cross your fingers for some beautiful weather and sneak on over to RCTR and let off some steam.

### Time to Ride, and camp, and be freeee!!

Before you head out, make sure to check some basics:

1. Cell Phone - You should always carry a cell phone and have the office number (570)682-1075...the # is on your helmet sticker. Please don't hesitate to give us a call if you are lost or stuck. Our emergency line is set up to reach the operations crew immediately even if the office is closed.

2. Got ALL your gear? Helmet. Tools? - Most riders can carry basic tools to repair a flat tire or other minor repair on the trail. Riding partner? - It's never a good idea to ride alone. Always try to have a riding partner. Stickers? - Make sure your sticker is up to date on your helmet.

3. Review the latest email for campground reminders.

4. Take it easy through the campground. SLOW SLOW SLOW driving and riding. The city lights are behind you and the country air is here...it's time to SLOW down and relax.

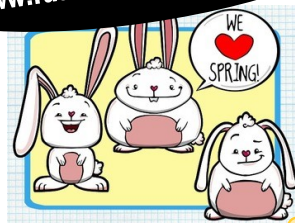

5. Review quiet hour rules. Respect others by lowering voices and music during quiet hours 10pm-7am...voices and music carry in the still of night, so be respectful of this time. This goes for daytime as well. Keep it to a respectable level or it's going to be NO LEVEL.

You've been cooped up all winter...why not start the season off on positive note.

# Spring Cleanup

TRAILRIDERS' FAVORITE "FEELGOOD" TRADITION!

NO NEED TO BRING ANYTHING, THE ADOPT-A-HIGHWAY IS ALWAYS GRACIOUS ENOUGH TO PROVIDE VESTS, GLOVES, AND GARBAGE BAGS. JUST BRING YOURSELF, DRESSED IN OLD CLOTHES, TO THE PAVILION AROUND 9AM AND WE'LL TAKE YOU OUT TO DIFFERENT TRASH SITES ALONG THE ROAD (NO WORRIES YOU'RE USUALLY ONLY OUT FOR 30-40 MINUTES AND THEN YOU'RE FINISHED FOR THE DAY). THE MORE VOLUNTEERS, THE FASTER WE GET TO RIDE...AND EAT!

REMEMBER THE TRAILS ARE CLOSED UNTIL THE CLEAN UP IS OVER!

A few volunteer pickup trucks are also need to transport members back and forth, please let us know ahead of time so we can count you in. There will be a sign-up sheet in the office.

ALL GUESTS, RIDING OR NOT MUST BE SIGNED IN UPON ARRIVAL!

Is your Helmet strapped?  
Are you roaming the campground roads or even the trails without your helmet strapped? Be safe & please always make sure yours is!

**THANK YOU.**
