Quads vs. Bikes vs. SidexSide Battle!

The Quad vs Bike vs SidexSide donation battle is still going strong this year. We gathered our first donation from the collection jars in the office and you'll never guess who's winning...nah we aren't telling! It's more anticipation for the Turkey Feast in November. If you're new you probably wonder what we're talking about. Here's some background.

It's BIKES vs QUADS vs SIDEXSIDE—a good old fashion competition to see which group can donate the most to the Tri-Valley Food Bank. Years ago our collection was far to low so we devised this program to help collect more for the food bank. Donations are being collected by the office throughout the year until the Turkey Feast on November 18th at which time we will announce the winning group and then the bragging

rights can commence.

Want to get in on the action?! What can you do? Go through your cabinets and donate any non-perishable items

Non-perishable items like these are the most valuable: Canned tuna, canned meats and stews, soup, peanut butter, canned fruits and vegetables, packaged meals, packaged pasta and rice, canned and dried beans, pure fruit and vegetable juices, or baby food, cereal and formula (must be within code date).

Donate 25 cents or even a penny every time you go into the office. A little can go a long way. And don't forget to put your change in the right group jar.

Just \$3 can provide 5 pounds of food.
