## New Stickers

Staff is calling the new sticker color, MAUVE. So mauve it is.

Remember to bring your helmet into the office when picking up your new stickers. Staff personally places the member sticker on your helmet. Your personal sticker is very important to keep track of. If something would happen to your helmet, please make sure to salvage the sticker. Helmet stickers are non-transferable but replaceable and cost you money when lost.

Camp stickers are also starting to slowly appear on campsite

### Watch Your Time

Sunset is around 4:30PM and the office is open till 5 but may close early without notice. If you're riding and it's getting close to 4PM; start to venture back to camp.

Make sure the RCTR parking pass is hanging from your vehicles rear-view mirror as it helps the office looked up member information quickly if needed. With the colder temperatures, it is important to make sure everyone is back safely.
