Guided trail rides are available every month, free of charge. Meet at the Pavilion across from the Office at 10:30am. The duration of the ride is approximately 2-3 hours. All guides are led by Rausch Creeks very own resident trail guides. Riders are taken on an adventure through a variety of RC trails at a casual pace. All ages, sizes, and skill level are welcome to join! # TIP OF THE DAY

Don't Eat that Potato Just Yet !?

Hot/cold compress--I remember reading how olden-day ladies would slip hot baked potatoes into their cloak pockets to keep their hands warm on long winter carriage rides. Turns out, potatoes hold their temperature (hot or cold) for a really long time so, in a pinch, a frozen potato can be a great icepack alternative.

An idea could be to make a twice-baked potatoes prepared prior to your trip, wrap it in foil, and then freeze it, will keep your cooler cold. When you're ready to eat them, just toss them into the coals of your campfire.

Labor Day weekend is one of the busiest weekends here at Rausch Creek. It's going to be a looong weekend so why not join us at the event we have planned just for you. Who's ready to get muddy on Saturday, August 31st?!
