## FALL IS UPON US..

September is almost over and the fall weather is slowly coming. It's the best riding of the year not only for the weather but the views our little valley has to offer. The fall is my favorite time of year. Of course it may be the result of getting older too because I certainly wasn't too crazy about this time of year as a child—it meant going back to school. But now I treasure it. The colors of fall are warm and comforting as nature puts on a spectacular show.

Apples and pumpkins are being harvested, Halloween is just around the corner— the weather is changing, and so is the nature of the festivals. It's a prime time for craft shows; some local shows are in Tower City, Gratz, and Pine Grove ...check out the local to do's section for more info. With all the local events also comes the Trailriders event fun!!

### Check out the highlights:

Regular group ride on **October 12** at 10am

Look for dual sport bikes riding around on **October 20** for the Dual Sport Ride.

Have a dual sport and want to ride along? \$10 off registration if you're a member at RCTR; sign up at the event for the discount. Start at North End Fire Department and venture your way to RCTR. All pre-entries can enjoy DJ entertainment on Friday evening & eat well at breakfast and lunch on Sunday. There will even be a bike wash after the event.

RC's Treat Or Treat! The spooookiness is scheduled for **October 19**.

The Fall Foliage Ride will be held on **November 2**. The foliage should be beautiful for this special Trail 7 ride.

The group ride will meet in front of the office as usual and take off around 10:30am.
