VOLUME 17, ISSUE 18 **NOVEMBER 1, 2024**

Gobble Gobble

you invited to join us for our annual

Turkey Feast

Sat., November 16 @ 6pm

Show off some of your favorite family recipes --bring a covered dish-- we've got the turkeys!

Hello, can you hear me? (a little pun from Adele's song). It's November - where did the year go! November is the month to remind us to be thankful for the many positive things happening in our lives. What will you be thankful for this year?

What else? For those who are counting, only 55 days til Christmas! Bleh! And also, this is the weekend that we turn back our clocks and get an extra hour of sleep.

Here's a look at the highlights this month:

After this Saturdays guided rides will be by appointment only from now until the Spring.

Everyone is invited to our annual Turkey Feast on November 16th at 6pm under the pavilion. Show off your favorite family recipes by bringing a covered dish--we've got the turkey covered. It's a great way to reminisce about the past year with your Rausch Creek family and friends. We will also announce the final donation to the local food bank.

HAPPY THANKSGIVING--the office is closed for the holiday on November 28.

HUNTING RIDING RESTRICTIONS:::NO RIDING ALL DAY on Monday, November 25th and Saturday, November 30th.

There is still NO riding until 9am from now until January 20th unless specified like the dates above. There are no restrictions on Sundays because hunting is not permitted. Please pick up a copy of the schedule on the office brochure wall.

Membership Renewal for 2025 is now open. Applications are available online or in the office.

UNDER BURN BAN

UNDER BURN BAN

Rausch Creek has enacted a burn ban effective October 25th due to DCNR's announcement moving forward with statewide wildland fire preparedness level, dry conditions and little to no rain predicted for the next 7-10 days. Unless the fire danger level changes rapidly this ban will remain in effect for 30 days (November 24th). Thank you for understanding.

"Open burning" is defined as the ignition and subsequent burning of any combustible material (garbage, leaves, grass, twigs, litter, paper, vegetative matter involved with land clearing, or any sort of debris) out-of-doors either in a burn barrel or on the ground.

The use of a propane and charcoal grills or a chiminea are permitted.

Sweet RC Halloween

It was a low-key RC Halloween afternoon. The little ghouls enjoyed a nice long 4hr trick or treating ride through the campground. All the kiddies walked away with a **TON** of candy. Thank you to all that came.

The Site Decorating Contest judging was pretty tough this year. 1st Place went to 8 Rick Road with a whole site full of decorations and a haunted house, 2nd Place went to 9 No Fear with a full haunted house, and 3rd place went to 5 KTM and 4th place went to 45 No Fear ...great job everyone and thank you for joining in the fun!

Congratulations to all the winners, please be sure to pick up your gift certificates at the office.

TIP OF THE DAY

You're baking a cake or cookies and halfway through the recipe you realize you forgot to put the butter out to soften. Instead of heating the butter to try to quickly soften it (which often leads to melting it), heat the sugar for your recipe instead. Place it in the microwave on high for 10 seconds, then stir and heat for another 10 seconds, repeating until warm. Then immediately mix with the butter. It will heat it just enough to soften.
