## SPRING IS HERE

Awh...The first weekend of **Spring**, marks the end of “**a brutal Winter!!!**”

**Spring** means nature is readying herself for her symphonic spring thaw. Birds are chirping, geese are honking, the ice, GONE, and the streams are starting to rush.

Keep your ears and eyes open. At least the days of scraping frost off your windshield are over. YAY! And with the clocks being set forward just a week ago, it’s lighter later, which means getting home at 6pm doesn’t leave you in the dark. It’s **sunny** until 7pm and it will only get later. This leaves “chances” for more trail riding, dog walks, jogging, softball games, and eating outdoors after work all available for the next 6 months. So let’s rejoice in the **First Days of Spring**; a new season and a new chance to embrace the positive things in life.

Speaking of positive, we’ve got a couple things on the schedule coming up.

There will be a group ride scheduled on **April 12th**.

**April 26th** is the annual Adopt-a- Highway Spring Cleanup starting at 9am

**\*\*Remember there is no riding until the roadway(s) are clean!! \*\* FOR MORE**

## GUESTS

Lets talk about what is means to have guests at Rausch Creek Trailriders.

It is the sole responsibility of the hosting member to ensure that all guests complete all required paperwork and pay all appropriate fees. The hosting member must personally accompany and is entirely responsible and accountable for the conduct of his/her guest (s) at all times.

If a member does not maintain this obligation than Rausch Creek Management will unfortunately make a decision on the “standing” of your membership. Meaning we can suspend or revoke memberships. Please work together and make this wonderful place, just that, WONDERFUL. The last thing we want to do is make “that phone call.” Thank you!

## Campground Update

\*\*The campsite available list are being handed out so pick up a copy today. Any structures left on sites are still in the process of either being taken out by an expired member. Do not assume anything and as the rules state always talk to the office first.

\*\*There are campsite stickers that still need to go up. Some more signs were discovered to have fallen down and are being replaced next week.

\*\*Campsite audits? Yes, we audit each and every site to make sure all your structures are in our system. These audits take place a couple of times throughout the season. To make the auditing process easier please be sure to up date us in the office before we find out you've added a structure and didn't notify us.
